

## Project Summary

- For **Immediate Assistance** see contacts at the bottom of the page. Phase I Improvements include updates to the city's sanitary sewer, watermain, storm sewer, & roadway infrastructure.

## Weekly Update

- The contractor will begin working on the Phase 1 Improvements on Monday, March 30th. They plan to start by setting up temporary water. Starting on Wednesday, they plan to start reclaiming the streets. Reclaimed streets can be driven on after the contractor is finished with the reclaiming.

## Looking Ahead

- The contractor will continue to work on McLaughlin Avenue and McDermott Ave on the sanitary sewer.

## Key Notes

- The public is urged to use caution throughout this construction season and to stay clear of all construction equipment & areas being actively worked on.
- There may be times of temporary water shut downs as the contractor is working on temporary hook-ups and main installations.
