

Project Summary

- For **Immediate Assistance** see contacts at the bottom of the page. Phase I Improvements include updates to the city's sanitary sewer, watermain, storm sewer, & roadway infrastructure.

Weekly Update

- The contractor will continue working on the sanitary sewer main on McLaughlin Avenue and 3rd Street, as well as the sanitary sewer main on McDermott Ave & 7th Street.

Looking Ahead

- The contractor will work on the water main on McLaughlin Avenue & 3rd Street and the sanitary sewer main and water main on McDermott Ave & 7th Street.

Key Notes

- The public is urged to use caution throughout this construction season and to stay clear of all construction equipment & areas being actively worked on.
- Please use caution when driving on the roads of the project. Not all roads will be passible with all vehicles at all times.
- There may be times of temporary water shut downs as the contractor is working on temporary hook-ups and main installations.
