

Project Summary

- For **Immediate Assistance** see contacts at the bottom of the page. Phase I Improvements include updates to the city's sanitary sewer, watermain, storm sewer, & roadway infrastructure.

Weekly Update

- The contractor will continue working on reclaiming the roads and setting up temporary water this week.

Looking Ahead

- There will be 2-3 crews for the contractor working on McLaughlin Avenue & 3rd Street and McDermott Ave & 7th Street on the sanitary sewer.

Key Notes

- The public is urged to use caution throughout this construction season and to stay clear of all construction equipment & areas being actively worked on.
- There may be times of temporary water shut downs as the contractor is working on temporary hook-ups and main installations.
