

## Project Summary

- For **Immediate Assistance** see contacts at the bottom of the page. Phase I Improvements include updates to the city's sanitary sewer, watermain, storm sewer, & roadway infrastructure.

## Weekly Update

- The contractor will finish the services on 3<sup>rd</sup> Street and 7<sup>th</sup> Street. They will begin the storm sewer on 3<sup>rd</sup> Street.

## Looking Ahead

- The contractor will begin to sub-cut the proposed roadway on 3<sup>rd</sup> Street. The second crew will begin the sanitary sewer and water main on McDermott Avenue between 5<sup>th</sup> Street and 6<sup>th</sup> Street.

## Key Notes

- The public is urged to use caution throughout this construction season and to stay clear of all construction equipment & areas being actively worked on.
- Please use caution when driving on the roads of the project. Not all roads will be passible at all times. Use caution when roads are muddy due to rain.
- There may be times of temporary water shut downs as the contractor is working on temporary hook-ups and main installations.
