

Project Summary

- For **Immediate Assistance** see contacts at the bottom of the page. Phase I Improvements include updates to the city's sanitary sewer, watermain, storm sewer, & roadway infrastructure.

Weekly Update

- The contractor will be working on the watermain and sanitary sewer on 4th Street.

Looking Ahead

- The contractor will continue working on the watermain and sanitary sewer on 4th Street. They will also be working on building the roadway of 5th Street and McDermott Ave.

Key Notes

- The public is urged to use caution throughout this construction season and to stay clear of all construction equipment & areas being actively worked on.
- Please use caution when driving on the roads of the project. Not all roads will be passible at all times. Use caution when roads are muddy due to rain.
- There may be times of temporary water shut downs as the contractor is working on temporary hook-ups and main installations.
