PUBLIC FORUM

A Resident residing on Dudley Avenue had questions regarding the rescinding of the motion to improve Dudley Avenue without special assessments due to improvements versus maintenance.

Residents Spencer Hunt, Mitch Kliedon and Tina Redepenning were present to see what a council meeting would be like if they were appointed to the council. Residents Robin Ryks and Brad Howard are also interested in the position.

REPORTS OF OFFICERS

Sump Pumps: Council discussed enforcing the noncompliance fee of \$100 each month for residents that are still discharging into the sanitary sewer system. Due in large part to this illegal discharging the city is sending an additional 90-120 gallons a minute to Glacial Lakes Sanitary Sewer and Water District during rain events.

Park Survey: The Park Committee prepared a survey to create a strategic plan for Kandiyohi City Parks. A link for the survey is on the city website, a QR Code is posted at the city office, post office and at KJ's Quickstop, and paper copies are available at the city office.
